The Comprehension Questions Range Provides Full Year Programs

The programs have been designed by Speech Pathologists for use in schools, daycare and in the home. Each full year program presents the following:

- A comprehension question progress check which can be administered in under 5 minutes.
- A list of recommended picture books specific to each target/age range.
- A set of 30+ comprehension question cards designed to accompany each recommended picture book. Each question card outlines a sample of typical answers so that teachers and parents are clear on what constitutes age appropriate responses.
- An instruction booklet that outlines how the comprehension question card sets can be presented to a whole class, small group or individual home setting.

| | Complexity of Questions | Applied to Which Year Level? |
|---------------------------------|--|--|
| 3 Year Old Program | Mainly level 1 and 2 questions | Preschool and Prekindy (WA) |
| 4 Year Old Program | Mainly level 2 and 3 questions | Kindergarten (WA, QLD, SA, TAS), Preschool (ACT, NT, NSW, VIC) |
| 5 Year Old Program | Mainly level 3 and 4 questions | Pre-Primary (WA), Transition (NT), Reception (SA), Prep. (QLD, VIC, TAS), Kindergarten (NSW, ACT) |
| 6 and 7 Year Old Program | Predictive, interpretative and evaluative questions | Year 1 and Year 2 |
| 8 and 9 Year Old Program | Literal, reorganisation, inference, evaluation and appreciation questions | Year 3 and Year 4 |
