

PLD provides an Australian, evidence-based approach to Structured Synthetic Phonics (SSP) for primary school educators. Aligned with the Science of Reading and supported by current research, PLD's SSP approach extends from Junior Primary to Upper Primary, facilitating a whole school approach. PLD's training events are suitable for all educators including teachers, assistant teachers, school leaders and literacy specialists.

PLD offers 4 types of training: online seminars, online courses, in-person seminars and school-based presentations. Each medium covers similar PLD implementation content, but the medium of delivery differs. Choose whichever option will best meet the needs of the school.

PLD provides an Australian, evidence-based approach to Structured Synthetic Phonics (SSP) for primary school educators across the country, including hundreds of schools in Queensland. Aligned with the Science of Reading, PLD's SSP approach extends from the junior primary years through to the upper primary years and thereby facilitates a whole-school approach. PLD's method is derived from the disciplines of speech pathology, occupational therapy and education, an approach which contributed to PLD receiving the Primary Educational Publisher of the Year award a record four times in a row.
